

## Prepare an Emergency Kit

Harrison REMC works hard to keep the power on for its members, but severe weather can sometimes cause outages. It's good to be prepared for electric outages and other emergencies by keeping the following supplies on hand:

- Flashlight
- First Aid Kit
- Battery Operated Radio
- Fresh Batteries
- Candles and holders
- Matches
- Blankets
- Wind-up Clock
- Firewood and Kindling
- Manual Can Opener
- Charcoal Grill(charcoal and fluid)
- Non-perishable Food
- Drinking Water
- Fuel for generators
- Coolers/Bagged Ice
- Activities for Children
