

DIRECTOR PETITIONS now available

Being a member of an electric co-op is a unique opportunity to be part of the decision-making process in a business.

Because Harrison REMC is a cooperative, it is owned by its members. That means members are responsible for voting for fellow members to take leadership positions on the board of directors.

Each spring, Harrison REMC holds an Annual Meeting for members to attend. This meeting includes an update on the co-op and the electric industry and the election of directors for the districts up for re-election.

How are director candidates nominated?

In accordance with the bylaws, all new director nominees must be nominated by a petition signed by at least 20 members of the cooperative who are at least 18 years old.

For the purpose of the petition, a husband and wife shall be deemed one member. Petition

forms will be available and accepted at the office of the REMC during regular business hours starting Dec. 1. The REMC petitions must be completed and filed with the REMC office by Jan. 20, 2025, before the Annual Meeting of the cooperative. In lieu of a petition, incumbent board members may file a written notice at the office of the cooperative by Jan. 20. REMC districts 2, 3, and 6 are up for election at the 2025 Annual Meeting.

- **DISTRICT 2:**
Jackson, Howard, and Posey Townships in Washington County. Blue River and Morgan Townships in Harrison County
- **DISTRICT 3:**
Carr and Wood Townships in Clark County. Greenville and Lafayette Townships in Floyd County
- **DISTRICT 6:**
Harrison Township east of State Road 135 and north of State Road 62 in Harrison County

More information regarding the election process was printed in the November issue of Indiana Connection and is available on the REMC website, harrisonremc.com.
